BEHAVIORAL HEALTHCARE

Comprehensive Behavioral Health Services

NATIONALLY RECOGNIZED FOR CLINICAL EXCELLENCE

Odyssey Behavioral Healthcare is dedicated to offering superior clinical services to people battling complex and co-occurring psychiatric, eating and substance use disorders.

Our diverse programs have experienced leaders and credentialed treatment teams using evidence-based modalities that leverage our fully integrated care network to help clients achieve optimal levels of health and independence.

Odyssey has three integrated and specialized networks:

PSYCHIATRIC: Inclusive of adult primary mental health, addiction, and dual diagnosis treatment.

EATING DISORDER: Treating primary eating disorders, with or without mental health and addictive co-occurring conditions, for adults and adolescents.

OUTPATIENT SERVICES: Serving the full spectrum of mental health, eating, addiction, and dual diagnosis disorders within PHP and IOP clinic settings. Transitional housing available in select markets.

FULL COMPREHENSIVE, INTEGRATED CARE CONTINUUM

INPATIENT > DETOXIFICATION > RESIDENTIAL > PARTIAL HOSPITALIZATION > INTENSIVE OUTPATIENT > TRANSITIONAL LIVING

PSYCHIATRIC AND ADDICTION TREATMENT SERVICES

We have four main programs delivering robust continuum of care within their respective areas in the nation.

Founded in 2000, Clearview provides mental health and addiction treatment for adults through their residential and in-network outpatient services.

California

EATING DISORDER TREATMENT SERVICES

Odyssey's eating disorder treatment services specialize in a full array of eating disorder diagnoses and co-occurring conditions with a robust continuum of services for adults and adolescents of all genders.

Established in 2022, Aster Springs provides world-class clinical care for adult women struggling with eating disorders and outpatient services for all genders.

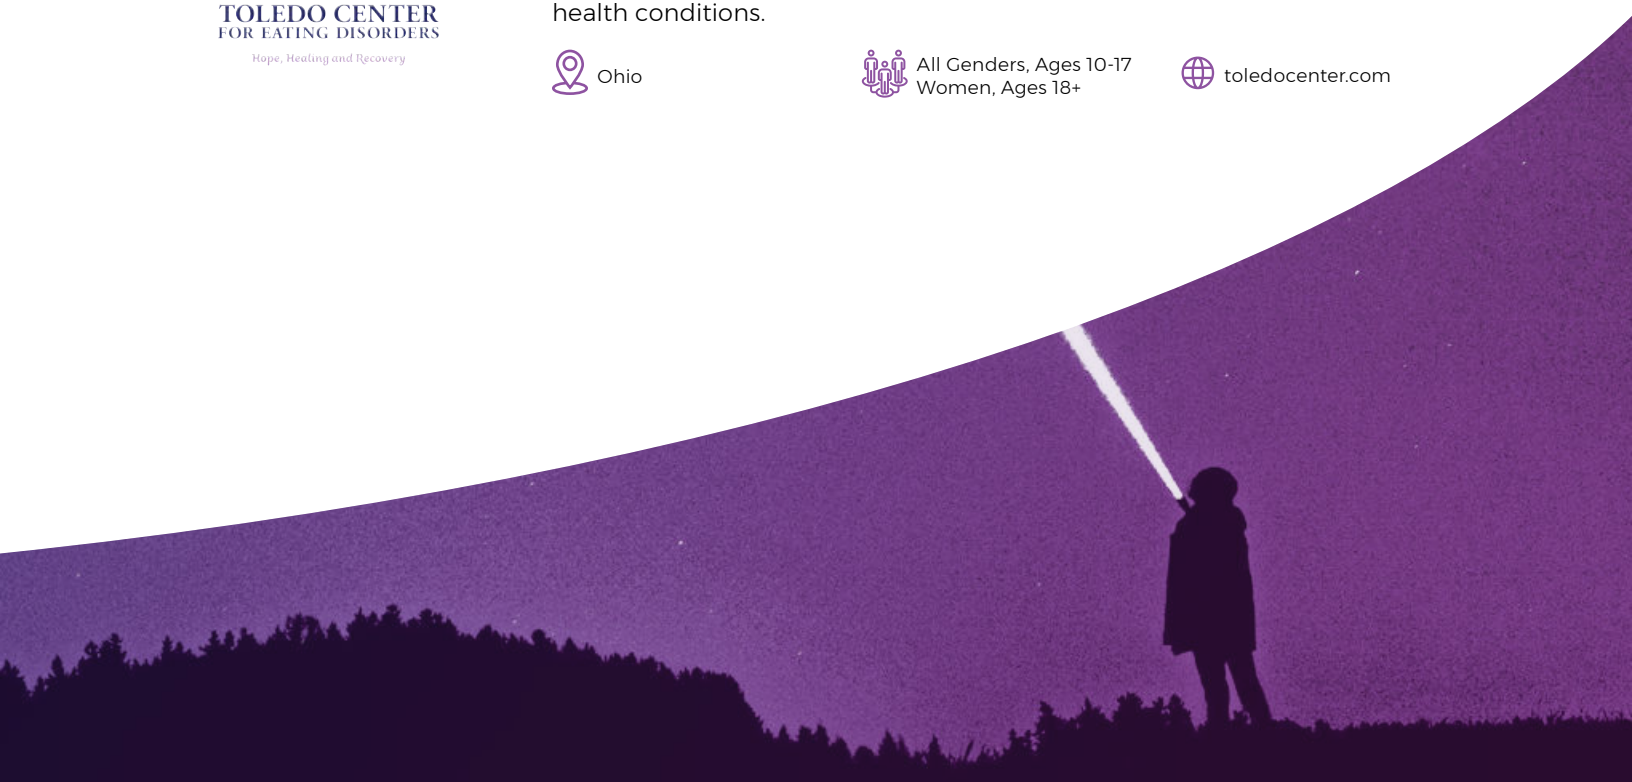

With over 15 years of clinical expertise, Magnolia Creek treats adult and adolescent women who struggle with eating disorders and co-occurring mental health conditions, including substance use disorders.

Established in 2006, Selah House provides a full continuum of Christ-centered, clinically excellent care for adult and adolescent women.

With over 25 years of expertise, Toledo Center provides specialized treatment for adolescents of all genders with eating disorders and co-occurring mental health conditions.

OUTPATIENT SERVICES

With locations across the country, Odyssey's outpatient services are quickly expanding and offer virtual and in-person treatment options for mental health disorders, eating disorders, and substance use disorders.

Aster Springs Outpatient specializes in eating disorder and co-occurring condition treatment. Services and programs vary by location.
